No	Name	Age	Area or country of origin	Date of death	Details
26	Sayed-Ahmad Sa'eed Shams	15	Saar	30 March	Died on the way to the American Hospital after being shot in the face by security force.
25	Isa Mohammed	71	Ma'ameer	25 <sup>th</sup> March	Died of asphyxiation in his home after police fired tear gas in the village of Ma'ameer. His family called the emergency room but there was no response from Salmaniya hospital. Ma'ameer had been blockaded by police forces and a lack of hospital assistance made it impossible to revive him. Sons of the victims said that they were forced by the ministry of interior to sign that their father death was of natural causes.
24	Aziz Jumma Ayyad	33	Al-Hajar / Hamad Town	24th March	Has been working at the Bahrain Defense Force (BDF) for 10 years. His family lost contact with him for 10 days, during which the BDF denied that they have any one with that name. On 24 March they the family was contacted by the authorities to tell them that he is admitted to the military hospital. Two hour later they were contacted again to tell them that Aziz is dead as a result of heart attack. According to death certificate he died 9 days arlear. There are suspensions that being a Shiaa, his death could be caused by government thugs. 23	Hani Abdul- Aziz Abdullah Jumah		Khamis	24th March	A cleaner and the father of year-old twins, left the family's house at about 5 p.m. on March 19. His father, told Human Rights Watch (HRW) his son was responding to a cry for help outside just as riot police began sweeping through the neighborhood. Fifteen minutes later, a witness said, the younger Jumah was seen running from the Khamis roundabout pursued by eight riot police wearing helmets. "Hani was running toward the nearby building, which was under construction, and the police were 15 meters behind him," the witness said, "He ran straight past my

					<p>house." Another witness said he had seen police chase Jumah into an empty apartment building under construction, but only realized an hour-and-a-half later that Jumah had not left the building after the police did. Local residents went to search for Jumah. They found him unconscious, lying in a large pool of his own blood. He sustained massive injuries to his knees and arm caused by being shot at point-blank range with a shotgun. HRW examined the scene of the attack on March 22, three days afterwards, and found fragments of bone, which a medical expert confirmed to be fragments of knee bone consistent with being shot at close range, as well as a tooth and pieces of human tissue still stuck to the wall and ceiling of the empty room, apparently the result of the velocity of the shots that maimed Jumah.</p> <p>Witnesses told HRW that they rolled Jumah onto a carpet provided by a local resident and brought him by car to a nearby private hospital, where doctors struggled for nearly two hours to stabilize him after massive blood loss. Jumah's father said that at about 9:20 p.m., an ambulance arrived from the Bahraini Defense Force (BDF) Hospital, accompanied by two masked police officers, and the officers announced they were transferring his son to that hospital. That was the last time Jumah's family saw him.</p> <p><a href="http://www.hrw.org/en/news/2011/03/23/bahrain-investigate-shooting-arrest-man-caught-police-sweep">http://www.hrw.org/en/news/2011/03/23/bahrain-investigate-shooting-arrest-man-caught-police-sweep</a></p> <p>Photo: <a href="http://dc16.arabsh.com/i/02803/gexqwrghw0x.jpg">http://dc16.arabsh.com/i/02803/gexqwrghw0x.jpg</a>  <a href="https://www.facebook.com/photo.php?pid=941380&amp;id=201903626489070">https://www.facebook.com/photo.php?pid=941380&amp;id=201903626489070</a></p> <p>Death certificate: <a href="http://twitpic.com/4d87mt">http://twitpic.com/4d87mt</a></p> <p>Photos of body: <a href="http://14feb.no-ip.org/showthread.php?t=264857">http://14feb.no-ip.org/showthread.php?t=264857</a></p>
